752S TECHNOLOGY

Benelli's 752S delivers naked sport thrills without sacrificing all-day comfort or muscular style. A superior motorcycle for riders across the spectrum, the 752S is excitement on two wheels whether its carving up open roads, rushing through city traffic, or simply parked in front of admirers. A technical masterpiece of power, simplicity, and sophistication, the 752S packages an all-new 750cc parallel-twin engine that bursts outside its steel trellis chassis with race-inspired components.

9. LONG-RANGE FUEL TANK

Get the extra mile with a 14.5-liter capacity fuel tank. With that, you don't have to always look for the nearest gas station.

8. BALANCED STREETFIGHTER ERGONOMICS

Perfectly balanced for speed and comfort, the 752S is up for anything, from big lean angle rides in the country to a casual ride through town.

7. STYLISH MEGAPHONE MUFFLER

The megaphone-style exhaust announces the 752S's arrival with attention-grabbing looks and sound.

6. RUBBER ON THE ROAD

17" cast aluminum alloy wheels are shod with 120/70ZR17 (front) and 180/55ZR17 (rear) tires.

10. TUBULAR STEEL TRELLIS

A well-designed trellis frame for a strong, lightweight structure to simplify the placement of the engine and components.

1. ALL-DIGITAL TFT DISPLAY

Delivers absolute understanding of the situation thus providing the rider, necessary details.

2. STACKED LED HEADLIGHTS

Stacked LED headlight design is fashionable and functional

3. RACE-BRED MARZOCCHI SUSPENSION

The 752s attacks the road with top-shelf, massive 50mm Marzocchi inverted front forks and rear swingarm with central adjustable shock absorber.

5. SMOOTH DELIVERY

Constant, progressive acceleration that satisfy both the intermediate rider and demanding enthusiast. The engine offers outstanding performance with 750cc that can produce 56Kw of power.

4. BREMBO DUAL DISC BRAKES WITH ABS

The 752S inspires confidence with its race-inspired Brembo twin semi-floating 320mm diameter disc brakes and single 260cc disc. ABS comes standard.
